Summary

I'm an aspiring software engineer, serious computer hardware enthusiast, and can play a mean game of Rocket League. Strong computer hardware and troubleshooting skills thanks to a decade of tinkering with anything and everything, and a full stack of software engineering skills thanks to Kenzie Academy, including Javascript, React, Python, Django, and SQL.

Experience

Doordash
DoorDash
Sep 2019 - Present (1 year 9 months +)

Package Handler
FedEx
Oct 2019 - Dec 2019 (3 months)
